Financial Policy: The major objective of our office is to provide you with the highest quality dental care. Our service is based on a friendly, mutual, but businesslike understanding between doctor and patient. We feel that misunderstandings can be minimized if you understand our office's financial policies. Although our office does not accept payment from the insurance company, our staff would be more than happy to submit your claims through our electronic billing system to ensure prompt re-reimbursement from your insurance company. Payments options are Visa, MasterCard, Interact, and cash. We do not accept personal cheques.

If you have any questions regarding insurance, billing or our financial policy feel free to discuss this with our receptionist.

Our fee does not include the cost of a permanent restoration – this is to be done by your own dentist after your root canal treatment has been completed.

Broken appointments and surgical intervention may constitute an additional fee. All fees are payable upon completion of treatment.
